Supers talk GOMESA and Shop Local USA

BY CASSANDRA FAVRE

The Hancock County Board of Supervisors on Monday moved forward with seeking a review of the GOMESA regulatory shoreline calculations for Hancock County.

Board president Blaine LaFontaine spoke about the GOMESA formula. He said that Phase II began in 2018.

"Hancock County has a three-part formula that generates our total revenue, which is population; proximity to off shore leases; and an estimated shoreline that has access to an open body of water," he said.

LaFontaine said that he and other officials went to D.C. in March to meet with Congressman Steven Palazzo, Sen. Roger Wicker, and Sen. Cindy Hyde-Smith.

"The reason we met with them about the formula was because out of Mobile County, Baldwin County, Harrison County, Jackson County, and Hancock County; Hancock County was the only county that does not receive anything for estimated shoreline, we have a zero there," LaFontaine said.

LaFontaine said that the county has not been receiving revenue for just the shoreline portion of the formula.

MS Health Officials Report One New Human Case of West Nile Virus

SEA COAST ECHO

Today the Mississippi State Department of Health (MSDH) reports one new human case of West Nile virus (WNV) for 2019, bringing the state total to six this year. The new case was reported in Leake County.

So far this year, human cases have been reported in Copiah, Forrest, Hinds, Lamar, Leake and Smith counties.

In 2018, Mississippi had 50 WNV cases and no deaths. The first case was reported in mid-July.

"We know that West Nile virus exists throughout the state, so just because there has not been a case reported in your county, doesn't mean you can ignore the precautions. You still need to be aware and protect yourself. Most cases occur from July through September," said MSDH State Epidemiologist Dr. Paul Byers. "While most infected people recover without any long-term problems, some develop a more severe infection that can lead to complications and even death – especially in those over 50 years of age."

Symptoms of WNV infection are often mild and may include fever, headache, nausea, vomiting, a rash, muscle weakness or swollen lymph nodes. In a small number of cases, infection can result in encephalitis or meningitis, which can lead to paralysis, coma and possibly death.

The MSDH suggests the following precautions to protect yourself and your family from mosquito-borne illnesses:

Use a mosquito repellent with an EPA-registered ingredient such as DEET while you are outdoors.

Remove all sources of standing water around your home and yard to prevent mosquito breeding.

Wear loose, light-colored, long clothing to cover the arms and legs when outdoors.

Avoid areas where mosquitoes are prevalent.

For more information on mosquito-borne illnesses, visit the MSDH website at HealthyMS.com/westnile.

Follow MSDH by email and social media at HealthyMS.com/connect.

LaFontaine added that he believes the county is in a position to file "some type of litigation with the federal government."

"This runs all the way to 2055," he said. "If we don't do it now, in the beginning of Phase II, we're less likely to get back pay or any other compensation. I believe Hancock County, more than anyone, probably has a stronger argument about us having open access to a body of water than probably our other counterparts in other counties."

LaFontaine said that if Hancock County's shoreline portion was added, it could potentially yield anywhere from $400,000 to $500,000 a year.

The board unanimously approved a motion authorizing the county attorney to file appropriate actions to enforce regulatory review of the GOMESA shoreline calculations.

In other action:

The Hancock County Board of Supervisors on Monday heard a presentation from A.G. Crowe about Shop Local USA.

Crowe said he began his venture with the creation of his company called Shop Slidell.

"The idea was to simply bring attention to the fact that people need to begin refocusing on shopping at their local businesses," Crowe said.

Crowe added that smaller "mom and pop businesses" are suffering due to the size of online retailers such as Amazon and Walmart.

"If they don't change the ways of doing business and get more and more into the world of the visual, then they're going to be slowing dying and Main Street as we know it will become a thing of the past," Crowe said.

Crowe said that ShopSlidell went "viral" and he started receiving requests from Covington and Mandeville and now Hancock County to do this project.

Crowe said that Shop Local USA representatives are going to shoot drone footage of the municipalities in Hancock County and display them on the website.

"Individual tours, what we call digital tours, are available, but it's not just a map showing the businesses, it's an additional interactive map," Crowe said. "So when you do click on a business, or a church, or a school, or a public building, it goes to the website of that particular entity."

Crowe added that the whole idea behind Shop Local USA is to keep the costs down so that any business can afford to participate.

Crowe said that the ways a business can be involved include: Its name on the rendered and interactive map of Hancock County; a microsite which includes a photo of the business and 10 links or ways to drive business to that particular business; and a 3D virtual tour of the inside of the business.

Through a partnership with Google, "so when somebody is doing a street view of Highway 90 and they see this restaurant, they can click and go on right on inside this restaurant."

"It's basically a huge opportunity for small businesses," he said.

Crowe encouraged the board to "spread the word" about Shop Local USA.

Crowe added that he has already met with local mayors.

Learn more about Shop Local USA at www.shoplocalusa.online.

In a separate matter, the board scheduled a hearing for the FY'20 budget for Tuesday, Sept. 3 at 2 p.m. at the Hancock County Government Annex building, located at 854 Hwy. 90.

County Administrator Eddie Favre said that this year's general fund budget totals about $23.5 million and about $48 million for the total county budget.

There is no expected tax increase on general tax levies or school levies, Favre said.

The budget includes, for the third year in a row, raises for all employees.

The major projects in this year's proposed budget include:

- Countywide drainage program, which includes all municipalities.
- McLeod Park expansion.
- Buccaneer Park.
- Bay St. Louis Pier No. 5.
- Bridge replacements.
- The arena project.
- The ongoing paving project.

The board also scheduled a recessed meeting to adopt the budget on Tuesday, Sept. 10 at 8 a.m. at the Hancock County Government Annex building.

- The board approved a motion authorizing county attorney to draft a resolution to accept Turtle Skin Cemetery as a county cemetery.
- The State of the County address is scheduled for Thursday, Sept. 12 at 8 a.m. in the Cypress Ballroom at the Hollywood Casino.
- The next regular meeting is scheduled for Tuesday, Sept. 3 at 9 a.m.

Bullying is not okay at any age

No one can make you feel inferior without your consent," Eleanor Roosevelt

My nephew started kindergarten last week.

While I'm excited about his new journey, I'm also a little fearful.

I'm not worried about him learning the material, I'm more concerned with bullying.

When I was a student at Waveland Elementary, I was bullied by one of my classmates.

During our recess time, he would punch me in my back, which made it hard to breathe at times.

I can't remember how long it went on, but I do remember being too scared to tell my parents or teacher about the incidents.

Staff Column

By **Cassandra Favre**

I even came home one day in pain and laid on the couch all afternoon. I don't remember what I told my mom, but it wasn't that I had been punched in the back.

A friend of mine witnessed the bullying one day. She told her mom who relayed the information to my parents.

Not too long after, my principal held a conference with my family and handled the matter.

Throughout my remaining school years, I was often verbally bullied.

I never stood up for myself in most cases and mostly kept the incidents to myself.

Now that I'm an adult, I sadly have realized that bullying doesn't just end after the school years.

With the onslaught of social media, I've seen adults bully each other online.

I've also witnessed bullying in the workplace.

How do we expect our children to not bully each other if we don't lead by example?

Like the old saying goes, "Do as we say, not as we do."

We have to do better. I've read far too many stories of young people taking their own lives because of suspected bullying.

Some instances of bullying have resulted in retaliatory violence.

I've read articles about what can cause a person to bully another.

Often times, the person has a difficult home life and is often mistreated and verbally abused at home.

Most bullies I've encountered in my adult life reek of arrogance, which is probably one of my least favorite traits.

People who find themselves in powerful positions often think they are right all the time and will find ways to make your life or work life more difficult because you dared to disagree with them or presented a different way of doing things.

I'm not going to sit here and tell you I've never had a

Councilman Reed hosts BSL Ward 3 Town Hall Meeting

Because we strive to be aware of all community concerns, the Hancock County NAACP News team was in attendance at the recent Ward 3 Town Hall meeting on August 15th in Bay St. Louis. Ward 3 Councilman Jeffrey Reed, Councilman-at-Large Gary Knoblock, Mayor Mike Favre, and Police Chief Gary Ponthieux along with his Chief of Detectives and Chief of Patrol were available to address the residents' concerns. The Police Department's Community Liaison, Earnest Taylor, Sr. was also available. A couple items of concern of Ward 3 residents were guys hanging around in the streets and trashy properties.

Guest Column

By **Hancock County Chapter of the NAACP**

Earlier this month police answered a call on Sycamore Street that resulted in some arrests being made on the spot. Troublemakers were handcuffed, thrown into a trailer, and carted off to jail. Callers into City Hall and the Police Department said that young men, and some older were on Sycamore Street impeding the flow of traffic. Drivers must wait until they decide to move in order to get to church, their homes, or other destinations while the miscreants fuss, cuss, and even sell drugs.

Bay Police Chief Gary Ponthieux passed along a report showing that in the last 30 days, there were 139 arrests and traffic citations issued city-wide 25 of which were in Ward 3. 10 arrests in Ward 3 versus 56 city wide. 18 drug events occurred over the past 2 months – 4 in Ward 3.

So what can be done about it? One resource is the Neighborhood Watch program headed by Former policeman and Community Relations Specialist Earnest Taylor, Sr. Taylor told the large audience that he continues to meet and talk with authorities and he "wants contact with everyone." Neighborhood Watch meets at the Bay St. Louis Library. "Show up" he said. "Coffee With a Cop" is another resource available to residents with concerns. Taylor can be reached at (228) 255-911 or etaylor@baystlouis-ms.gov.

Among the array of issues and complaints included was an update on the status of the property on the Old Spanish Trail near the Washington Street 4 way stop. "Junk" is the term expressed when the site is mentioned. Mayor Favre said that the property owner was in court recently where a new judge set a court date with about 5 charges logged against the owner. A complainant said that at one time the land was a "beautiful piece of property".

Favre commented on plans to install air conditioning in the VCJ Gym in use by the Boys and Girls Club. This should happen in about 2 weeks. He also mentioned having a new Police Department building.

Some residents had a problem with their children being stopped by police for being on their own family's property and "driving a new Mustang while black". Another resident expressed concern regarding the kids getting on school buses. When the bus is stopped for the kids to board, some drivers continue to drive around the stopped buses. This occurs mainly on Washington Street. A request was made to have a police presence to monitor the situation during the time school buses are picking up and dropping off the kids.

The Town Hall meeting was well attended by the Ward 3 residents. City officials listened to what the residents had to say and responded with interest. Councilman Reed agreed to schedule a Town Hall every quarter to follow up on residents' concerns and any new issues that may arise.

Mississippi Cares Is NOT Obamacare. It's PenceCare.

Vice President Pence, when he was Governor of Indiana, enacted a conservative brand of Medicaid reform for his state. The Mississippi Hospital Association, at the request of Governor Bryant last fall, has worked to create a similar proposal – Mississippi Cares – for working Mississippians who need healthcare coverage.

Guest Opinion

by **Shawn Rossi**

Mississippi Cares is NOT Obamacare. It's PenceCare. Our proposal stays true to conservative principles by offering a helping hand to low-income adults who are already helping themselves. It will also reduce the amount of services for which healthcare providers receive no payment.

Unlike Obamacare, Mississippi Cares requires plan members to pay premiums and co-payments. Unlike Obamacare, it also requires plan members to either work or satisfy community engagement requirements such as education or job training. Unlike Obamacare, plan members will have skin in the game and will be taking personal responsibility for their healthcare costs. Unlike Obamacare, under this proposal, hospital investments and member payments fund the premiums for health plan coverage with no state funding required.

Who would qualify? Under current federal standards, single adults making just under $17,000 or adults in a family of four making just under $35,000 would qualify for coverage. Two-thirds of those individuals are already working – they or their employer just can't afford health insurance.

Two-thirds of those who work in small businesses with less than 50 employees do not have health insurance. Mississippi has wonderful small businesses. They are the backbone of our small towns. Unfortunately, many of these small businesses are unable to provide health insurance to their employees. People who are doing everything they can do to get ahead, shouldn't put off getting the health care they need simply because they don't have health insurance and access to preventive care.

Our hospitals are reaching a critical point. Mississippi hospitals provided over $600 million in uncompensated care last year. Since 2011, five Mississippi hospitals have closed and at least six others have filed bankruptcy. According to recent reports by the State Auditor and a national health care advisor, Navigant, dozens of other Mississippi hospitals are at financial risk of closing. When hospitals close, the communities around them begin a slow but sure decline. It's impossible to name a thriving town that doesn't have a hospital

Pearl River announces updates for football season

SEA COAST ECHO

In an effort to preserve the fan experience at Dobie Holden Stadium while Pearl River's Poplarville campus continues to evolve, Athletics Director Jeff Long has announced several changes for the 2019 football season.

Many of the changes are due to continued construction across the street from the stadium, where PRCC is building two new dorms that include more than 260 beds.

"Our fans are our utmost priority," Long said. "Keeping fan safety in mind, we have implemented a number of changes this season as we continue to enhance our gameday atmosphere."

Changes include:

Alumni tailgating has been moved from behind the South end zone to behind the home side of the stadium

There will not be a Kids Jump Zone

All home fans are asked to enter the stadium through the main gates, which are located next to the ticket office behind the South end zone

Home fans will enter the stands through the three entrances located under the home press box

Fans will not be allowed on the field without appropriate credentials

NEW-LOOK DOBIE HOLDEN STADIUM

PRCC's football stadium has also undergone a number of changes the last two seasons. Prior to the 2018 season, the Wildcats installed a 17-foot by 31-foot LED videoboard. This offseason, Pearl River installed a state-of-the-art field turf system.

MEET THE WILDCATS

Thursday's Meet The Wildcats extravaganza will serve as an unofficial kickoff for the 2019-20 athletics calendar. The event will feature introductions for PRCC's men's and women's soccer, women's cross country, rodeo and volleyball programs as well as performances by the String of Pearls, Spirit of the River Marching Band, PRCC cheer squad and W.C. Rivers. Of course, the Gridiron Wildcats will also scrimmage.

Meet The Wildcats is scheduled to begin at 5:30 p.m. Admission is free and select concessions will be available.

PRCC opens the season Aug. 29 at Itawamba. After visiting East Mississippi on Sept. 5, the Wildcats will play their home opener Sept. 12 against Copiah-Lincoln.

THEME NIGHTS

Each home game this season will have a theme. The Co-Lin game will be First Responders and Military Night, where this country's heroes will be recognized. Additionally, it will be a Maroon-Out game, where fans are asked to wear maroon. PRCC will also recognize its 2019 Region XXIII Champion men's basketball and baseball teams.

The Sept. 26 game against Hinds will be Southern Miss Night and High School Junior/Senior Night. It will also serve as PRCC's Gold-Out night, where fans are asked to wear gold. Highland Community Hospital will also sponsor the employee and alumni tailgate.

BACKGROUND:

Vet Centers are community-based counseling centers providing a broad range of counseling, outreach, and referral services, free-of-charge in a safe and confidential environment. Vet Center staff use Mobile Vet Centers, 34-foot "office on wheels" equipped with satellite communications, to reach rural and underserved communities.

Vet Center counselors and outreach staff, many of whom are Veterans themselves, are experienced and prepared to discuss the tragedies of war, loss, grief and transition after trauma. Services include Post-Traumatic Stress, Military Sexual Trauma, and bereavement counseling; marriage and family therapy; resources for suicide intervention; and assistance with VA benefits.

Veterans and family members, who are not able to stop by the Mobile Vet Center, are encouraged to call the Vet Center Call Center at 1-877-WAR VETS (1.877.927.8387). This is an around-the-clock, free, confidential call center where Veterans and their families can call to talk about their military experience or any other issue they are facing in their readjustment to civilian life.

For more information or to schedule a visit, contact the Biloxi Vet Center at (228) 388-9938, located at 288 Veterans Ave, Biloxi MS. 39531 and open Monday – Friday from 7: 30 a.m.- 4:30 p.m.

Veterans in crisis, or friends and family concerned about one, can always connect with caring, qualified responders at VA's Veterans Crisis Line: 1-800-273-8255, text 838255, or www.veteranscrisisline.net.

Vet Center Mission Statement:

To welcome home and honor those who served, those still serving, and their families by reaching out to them, engaging their communities and providing them with quality readjustment counseling and timely referral.

Bullying

• Continued from Pg. 4A

bad or judgmental thought about someone. Like everyone else, I'm human.

I had often hoped that my own experience with bullying would help be less of a "doormat." Through the years I've learned to stand up for myself when it's necessary, but it's something I need to continue to work on.

I hope that we can eradicate bullying one day, but I believe it begins with adults and parents.

One can't reasonably expect their children or grandchildren to treat others with respect when they see you tearing another person down.

Lead by example.

It's my hope that my nephew, or anyone, never has to experience bullying. But if he does, I hope he tells someone. Maybe one day, I will share my story with him and let him know that it's important to stand up for yourself and tell someone when you are being mistreated.

Cares

• Continued from Pg. 4A

located nearby. Without reform, more of our hospitals will close and eventually doctors will leave those small towns too.

Vice President Pence in Indiana used a combination of plan member contributions and hospital taxes to pay for their state costs without any tax increase for Indiana taxpayers and that's how we can do it in Mississippi. And these taxes, when combined with the premiums paid by plan members, will cover the entire state cost of the program and allow for Mississippi to draw down 90% matching funds from the federal government – just like we do for emergency declarations, farm subsidies and countless other federal programs.

This 90% match will never decrease under current law. Anyone who says that this proposal will raise taxes on Mississippians or cost the state of Mississippi more money has either not taken the time to read the proposal or is being intentionally misleading. Unlike Obamacare, Mississippi Cares will result in over $100 million in net revenue coming into the state general fund. That's more than the state lottery and, unlike the lottery, our program will create tens of thousands of new jobs and hundreds of millions of dollars in personal income.

This proposal will provide better health for hundreds of thousands of working Mississippians who can't afford health insurance, help our small businesses, and add over $100 million in new revenue to the state's bottom line - revenue that can go towards teacher pay raises and improving roads and bridges.

If Mike Pence - the man President Trump trusts the most to lead our country in his place - created this program to support a healthier Indiana, then we can use his same conservative principles to build a healthier Mississippi

The numbers add up. Check them for yourself at MississippiCares.com.

Alice Moseley Fun Fest 2 draws huge crowd to Bay

The Alice Moseley Folk Art and Antique Museum's Fun Fest drew a large crowd.

BY GEOFF BELCHER
NEWS EDITOR

The Alice Moseley Folk Art & Antique Museum's second annual Fun Fest drew a huge crowd to the historic Bay St. Louis Depot grounds on Saturday.

"It was wonderful," museum Executive Director Lonnie Falgout said. "We had crowds that started building from 2 o'clock on. The entertainment was outstanding. The food was good. We had great vendors, face-painting and snowballs. … It was just wall-to-wall people."

This year's Fun Fest featured the Bay Ratz Marching Battery, The Dave Mayley Band, Coastal Native Delights, Monsters at Large, Faith Becnel, Amanda Shaw and Ryan Foret & The Foret Tradition.

"It was packed towards the end," Falgout said. "It was good for the community. We actually brought people in from a lot of other places. There were a lot of people that came from the Mobile and Hattiesburg areas. One family came down from Minnesota -- they come every year to spend the winter here, but they came down early for the Fun Fest. It was a great day."

Falgout said the event was also a good boost for the museum itself.

"The museum was busy all day, and then we had people coming back on the weekdays. That's all we want, is people to just appreciate what (Miss Alice) did.

"It's a community event, but it's also an event to get people to appreciate Alice and her work.

"The business community really stepped up for us. The state has cut art funding drastically, and we had to scurry to get assistance from several businesses. Now we have to hope we can do it again next year. If funding is available, we will."

Along with 52 paintings by nationally acclaimed folk artist Alice Moseley, the museum contains large collections of vintage bottles, Majolica vases, Tiffany glass, Weller and Newcomb College pottery, and everyday "folk life" objects.

The Museum is a non-profit, tax-exempt 501(c)3 organization. Donations are always welcome and very much appreciated.

Per Alice Moseley's wishes, admission is always free. For group tours, please call 228-467-9223.

in the improvement of mathematics and science education.

"I am incredibly proud of Mississippi's PAEMST finalists and commend them for their dedication to teaching," said Dr. Carey Wright, state superintendent of education. "These teachers are models of the extraordinary teachers who teach in classrooms across the state."

A 27-year veteran teacher, Dr. Shani Bourn said her goal "is to provide all students with as many opportunities as possible for growth while fostering an appreciation and excitement for science."

Paige Cobb, who teaches the Foundations of Algebra and Algebra I, said, "All student should be held to high expectations, feel valued and safe, and be given an equal opportunity to learn."

Kenneth Peagler, who teaches AP Physics and AP Computer Science, among other courses, said, "Education is not about finding or creating the most rigorous and/or entertaining tasks; instead, it's about building engaged students, who love to learn, who can take any task and will think, persevere, and exceed any goals set for them."

LeShundra Young, a nine-year veteran high school teacher who teaches Biology, Chemistry and AP Biology, said, "The art of teaching is to ignite the imagination, inspire creative expression, and instill a love of learning."

The PAEMST program, established in 1983 by the White House, allows each state to select up to five state finalists in mathematics and up to five state finalists in science. One of the state finalists in each content area will be selected as the Presidential Awardee for the state, which is the highest recognition that a kindergarten through 12th grade mathematics or science teacher may receive for outstanding teaching in the United States.

The Mississippi State Board of Education will recognize Mississippi's 2019 PAEMST finalists later this fall. National winners are announced approximately a year and a half after state level finalists are identified.

Hawks, Pirates & Rocks open football season at home, Tigers head to W. Harrison

BY JOSEPH W. GEX, II
STAFF WRITER

It's time! Football is officially here! The King of Sport is in the building!

It doesn't really matter how you say it but the excitement is at a fervent pitch with the start of football this Friday night. In the area, all four teams are in action with three playing at home.

The Bay High Tigers open their season on the road against the Hurricanes of West Harrison High School.

This is a rematch of the opening game from a year ago which the Hurricanes narrowly won 22-21. The Hurricanes went on to a 2-9 season overall with a 0-7 mark in their 5A division. However, this year West Harrison moves up to Class 6A.

Last year the Tigers finished with a 1-9 overall record and 1-4 mark in Division 8-4A.

On Friday, Bay High went to Lumberton and claimed a 21-6 victory in their jamboree. The jamboree was a controlled two quarters of play for the varsity. The Tigers ran basic offensive plays and the offensive line executed well with three new starters in the mix.

Sam Sheppard scored twice for the Tigers and Noah Cutter scored once while Zach West also ran the ball well.

On defense the Tigers were led by Jordan Calomese and Lavanta Meadows. Sheppard, Cutter and West also played well on defense.

The Hurricanes will be breaking in a new quarterback this year after losing Keith Holloway (30-for-81 for 629 yards, 5 TDs) to graduation.

The Hurricanes do return Llanes Dickerson who rushed 141 times for 705 yards and seven touchdowns last year. He also caught 16 passes for 314 yards and two scores. On defense, West Harrison brings back Brandon McMillan (65 tackles) and Gavin Burch (69 tackles) from a year ago.

The Tigers will counter with returning quarterback Josh Peters who threw for 642 yards and three touchdowns on 52-for-116 passing with seven picks while Sheppard picked up 157 yards on 38 carries in 2018.

On defense, the Tigers return Cutter who had 52 tackles last year and Calomese with 40.

This game could very well be another tight game on the scoreboard; however, wily veteran coach Eric Collins is calling the shots despite this being his first season in Bay St. Louis. And, that could be just enough to sway this one toward the Bay.

The Hancock Hawks open their 2019 season at home on Brett Favre Field at Hawks Stadium against the Pearl River Central Blue Devils Friday evening.

This is a rematch of last year's opener which Hancock won 10-7 en route to a 4-7 overall season and 2-5 region mark.

Hancock lost QB Caleb Garcia to graduation and his 1,536 yards passing with 13 touchdowns. Stepping in to replace Garcia is Sema'j Robertson.

The Hawks also lost other top performers to graduation including RB Blake Comeaux (223 carries for 1,190 yards, 12 TDs), WR Brooks Rayburn (24 catches, 481 yards, 2 TDs) and LB Trenton Ladner (129 tackles).

The Hawks, who did not play a jamboree game last Friday, will counter with RB Sebastian Fausett who had 58 carries for 305 yards and a touchdown along with nine catches for 135 yards and RB Jordan Foushee who recorded 34 carries for 232 yards and four scores and 13 catches for 194 yards and a touchdown.

On defense, the Hawks turn to Colby McGough and Jace Ladner who tallied 46 and 43 tackles, respectively.

This is year two for Jacob Owen as head coach at PRC and the Wing-T offense. The Blue Devils return their quarterback in Cameron Brunson who threw for 514 yards and six touchdowns last year.

PRC is replacing their top gainer on the ground in Kobe Whitehead who rushed for 1,497 yards and 18 touchdowns. Stepping into the limelight toting the mail will be Dietrich Spikes who rushed for 633 yards and seven touchdowns last season.

On defense, the Blue Devils return Clay Spiers who racked up 78 tackles in 2018. This game could also go down to the wire like last year, but another athlete in the backfield for Hancock behind the Hawks' behemoth line anchored by Quinton Fowler and Christian Sapp could spell trouble for PRC.

The Pass Christian Pirates are also breaking in a new head coach at the school on West North Street in Blake Pennock.

Pennock is no stranger to athletes having coached Florida State's Cam Akers at Clinton High School.

The Pirates open the 2019 season at home in McDonald Stadium against the Long Beach Bearcats which is also a rematch of the opener from a year ago which Pass Christian won 34-31 while going 1-9 overall and 0-5 in Division 8-4A.

Last Friday the Pirates traveled to Gautier and tied the Gators 14-14 in their jamboree. Kam White scored on a 30-yard run while Dustin Allison and Andrew Moffett hooked up on a touchdown pass. On defense, Reese Gorman and Aiden Purchner did some good things behind a defensive line that played well as a unit.

The Pirates have their quarterback Dustin Allison returning for his senior season. It will be his fourth year under center. Last year Allison threw for 572 yards and three touchdowns. The Pirates lost Damonta May who is now suiting up for PRCC. Stepping in to fill his production is Huu Nguyen and Gordon Ward.

Ward has the better numbers in 2018 with 233 yards and three touchdowns in 2018.

The Pirates also return their top defender from a year ago in Reese Gorman who had 65 tackles last season.

The Bearcats lost quarterback Cade Crosby to Gulfport along with his 2,167 yards and 23 touchdowns throwing the ball.

On defense, the Bearcats have their top two players returning in JR McFarland (115 tackles) and D'lijah Robinson (109 tackles).

With unknowns at quarterback for Long Beach and Pass Christian having a four-year starter, this game looks to tip the way of the Pirates.

The St. Stanislaus Rock-a-chaws will open the 2019 season at home 'between the walls' on Friday evening against Saint Joseph of Madison, MS. This will mark the first time the two teams have met on the football field and the first time in seven years that the Rocks have opened the season at home.

The Rocks are coming off a 5-6 season that saw them drop their first round playoff game against Northeast Lauderdale 28-12. The Bruins are coming off a 6-7 season in 2018 in which they advanced to the second round of the Class 2A state playoffs.

Last Friday the Rocks played Gulfport in a jamboree and beat the Admirals 21-7. Max Favre threw for 193 yards on 9-for-11 passing with three touchdowns and one interception.

Favre's scoring aerials went to Bradley Darby (66), Dallas Payne (27) and Lee Negrotto (39). Bramdon Bordelon also rushed for 68 yards on 12 carries. On defense, the Rocks had strong play from the defensive line including Connor Moran, Ryan Tyler, Devin Gaspard, and Hogan Benvenutti while LBs Negrotto, Jaxson Favre, and Thomas Williams also played well.

The Rocks return their quarterback in 2019 in Favre who threw for 1,156 yards and their top receiver in Payne who caught 44 passes for 695 yards and three touchdowns. Bordelon returns as the top tailback with 72 carries for 518 yards and eight scores. He also caught 25 passes for 313 yards and a touchdown.

On defense, Trustin Northington returns as the top tackler with 92 stops a year ago followed by Negrotto with 88 and Benvenutti with 78.

Saint Joseph will be breaking in a new quarterback, running back and receiver on offense but return their top defender in Joe Pearson who recorded 121 tackles in 2018.

The Rocks have the edge on offense and perhaps defense, as well. This one appears to lean towards the Rocks on paper.

The two biggest changes to high school football in Mississippi this season will be a 40-second clock that begins as soon as the umpire spots the ball. This should help speed games up and play into the hands of the tempo teams. And, in the playoffs only, instant replay will be allowed for those schools who wish to implement it.

All games are set for a 7pm kickoff this Friday evening. See you at the game!

Former gridiron stars rising at the next level

BY JOSEPH W. GEX, II
STAFF WRITER

Over the course of the past five seasons the area has produced some memorable gridiron athletes for its fans. Several of those former stars are now rising on the collegiate gridiron.

The Bay High Tigers, Hancock Hawks, Pass Christian Pirates and St. Stanislaus Rock-a-chaws have combined to send almost 40 players to the next level with several still playing today with six on the Division I level.

The Bay High Tigers currently have Jaylan Wilson suiting up at Pearl River Community College. The former do-it-all athlete for the Tigers is entering his second season for the Wildcats and will again be an athlete for head coach Tim Eggert and staff.

The Hawks have Ray Ladner, Aaron Feazelle, Everett Ganier, and Brooks Rayburn suiting up at the next level. Ladner is a redshirt sophomore fullback and special teams player at The University of Southern Mississippi while Feazelle is a junior quarterback at Mississippi College. Ganier is beginning his second season in the defensive backfield with the Belhaven Blazers in Jackson.

Rayburn is a freshman wide receiver at Division I Nicholls State University.

The Pass Christian Pirates have Landon Wimberly and Damonta May finding homes on the gridiron. Wimberly is in his third season in the defensive backfield at Millsaps College in Jackson and Damonta May is a freshman running back at Pearl River CC.

The St. Stanislaus Rock-a-chaws have 10 players suiting up on the next level including four at the Division I level.

Myles Brennan is a redshirt sophomore quarterback for the Louisiana State University Tigers and Chase Rogers is a redshirt sophomore tight end for the Louisiana Rajun Cajuns. Darius Pittman is a junior tight end at Purdue University in the Big Ten and Corbin Blanchard is a junior wide receiver for the Falcons of the United States Air Force Academy.

Thomas Weber is a sophomore defensive lineman for the Millsaps College Majors. Tayler Trapani and Andrew Trapani begin the senior and sophomore seasons, respectively for Division III member State University of New York Maritime College.

Jakob Greer is in his second season as a quarterback at PRCC while JD Rutherford is in his second season as a defensive back at Jones JC. Brandon Tartavoulle is also in his second year as a offensive lineman at Mississippi Gulf Coast Community College.

Brennan will be the backup quarterback for Joe Burrow at LSU while Rogers is expected to return to the starting lineup at tight end at ULL after an injury sidelined him in 2018. Pittman is expected to be the starting tight end at Purdue for the Boilermakers and Blanchard is pushing to see the field as a wide receiver for the Falcons.

Note: These are the players that were verified by their respective schools' roster at press time. Some schools still have not released their rosters at this time.

OLA integrates Chromebook technology in every classroom

Science students are using Chromebooks to research lab experiments.

SEA COAST ECHO

This school year, Our Lady Academy (OLA) provided every student, from 7th to 12th grades, a Chromebook to be used inside and outside of school. Chromebooks allow students to work on and edit assignments, access to web applications, word processing, and spreadsheets and is the most cost-effective method to bring technology into the classroom.

"Since I joined OLA, it has been a goal of mine to purchase Chromebooks for student use. Technology is the way of the future, and by providing Chromebooks to our students, we are better preparing them for their college careers," Principal Marilyn Pigott commented.

Chromebooks are web based, eliminating threats to viruses and malware attacks.

Everything is provided through apps, including email, and photos. Students can generate and edit documents, check assignments, take notes, gather information from resources and databases and then share and collaborate with others. Teachers also receive many advantages from use of Chromebooks in their classrooms.

They can manage tests, textbooks requirements, homework assignments, projects and student reporting online.

Today, Mrs. Amanda Bush had her art class explore the Musee d'Orsay in Paris through Google Arts and Culture website on their Chromebooks. Mrs. Bush explained, "Having Chromebooks in the classrooms afford the students to visit some of the most important art museums, galleries and historical sites around the world. The technology is a fantastic way to get my students engaged and interested in art and its history."

With the assistance of Canvas, students are able to have access to their classrooms and materials at their fingertips through their Chromebooks. Canvas allows students to participate in online discussions and work in groups and collaborate in their own space.

Through Canvas, teachers are able to communicate with individual students, or the entire class. Canvas also provides teachers the tools to communicate with parents and to help parents stay involved in their child's academic progress throughout the year.

Ms. Nicki Reeder's Spanish classes are using Chromebooks to integrate cooperative activities through technology in the classroom. Students are able to write in Spanish and show their work to class through platforms such as Google Slides and Google Sheets. "We review grammatical concepts and vocabulary sections by playing the interactive game Kahoot. Students can gain further practice by using Duolingo, a language learning app." Ms. Reeder added, "Each week, I post weekly objectives and homework assignments on Canvas, which will prepare students for how they'll view & submit assignments in college."

Algebra students use an online program linked to their textbook. Students are able to

access an e-book and do homework problems. The great thing about the assessments will be instant feedback so they know what to work on for their tests. Ms. Amy Ashley expounded, "The capabilities are endless and I can't wait to incorporate it more and find new uses for it in the math classroom."

Science teacher, Mrs. Randi Tolar said, "Having Chromebooks in the classroom allows the students the ability to access virtual labs, perform research, and complete web quest activities that will help prepare them for college course and lab work."

The Community CALENDAR

Mattie Codling speaks on the life and art of Walter Anderson

BY JAMES KEATING MD CONTRIBUTING WRITER

Mattie Codling was the featured guest speaker on Thursday, August 16 at the Historical Society's monthly luncheon at the Kate Labrano House. Codling spoke about the art and life of Mississippi's most cherished artist, Walter Anderson. Codling is Director of Exhibits and Preservation at the Walter Anderson Museum in Ocean Springs.

The art of Walter Anderson is part of the identity of the Mississippi Gulf Coast and its barrier islands. Walter Anderson was born in 1903 in New Orleans. He acquired one of the most exquisite

educations in art of any American painter of his time. He studied as an undergraduate at the New York Fine and Applied Art College and did graduate study at the Pennsylvania Academy of Fine Arts in Philadelphia. Subsequently he studied abroad in France and Spain. Codling reports that it is noteworthy that the cave wall paintings at Les Eyzies and the large stain glass windows at the Chartres Cathedral made a more enduring impression on this gifted, mystic painter than any of the traditional masterpieces housed in the Louvre or the Prado. Rather than build an international reputation, Anderson chose to return to Ocean Springs to paint at his family's pottery compound, Shearwater Pottery.

Anderson chose natural subjects to paint such as birds, squirrels, mice, snakes, raccoons and plants indigenous to Horne Island. According to Codling's analysis his art connects with nature with a timeless and majestic quality depicting simple beauty. For this reason during the last fifteen years of his life Anderson would take long trips out to Horne Island. Moreover he would spend weeks at a time on the island painting, drawing, observing, and writing about the natural environment and his place within it.

Walter Anderson died in 1965. He had suffered mental illness since 1937. After he died his family discovered his "Little Room" that was loaded with wall murals, watercolor paintings, drawings and writings found stacked on the floor which he donated for posterity. As a result we are indeed fortunate that his art and culture has been preserved in the Walter Anderson Museum of Art in Ocean Springs, MS. Furthermore the museum contains the Little Room art treasures and his public murals. In addition visitors may view watercolors, drawings, oils, block prints, ceramics, and carvings by the three Anderson brothers. In summary this is a must-see jewel of a museum for anyone in the area or those visiting from out-of-town.

The organization also supports many community programs, including PreK4Ward, a kindergarten prep program; the familywize prescription savings card; Fill the Bus, an annual school supply drive; the Dolly Parton's Imagination Library book program; and free tax preparation services.

These grants and programs are made possible by generous donors, said UWSM CEO Kathy Springer.

"Our communities support us in amazing ways, from individual and corporate gifts to buying tickets for the Nifty 50 raffle," she said. "Without that support, we wouldn't be able to offer any of our grants or programs."

To learn more or to purchase tickets, call (228) 896-2213, visit www.unitedwaysm.org or stop by the UWSM office at the Knight Nonprofit Center, 11975 Seaway Road, Suite B-170, Gulfport.

The right caladiums can thrive in full sun

GARY R. BACHMAN MSU EXTENSION SERVICE

In recent years, gardeners everywhere have seen quite a few plants that were once grown only in shady conditions come out into the sunshine. Sunpatiens were my first experience with these now sun lovers.

Then, these plants were closely followed by sun coleus.

We've killed a lot of Sunpatiens and coleuses by planting them in the full sun, but we've learned a lot and have adapted to growing them there.

Another plant that is taking the sunny side of the garden by storm is the caladium.

I have always loved the way caladiums look when planted in the shade. The brightly colored foliage seems to brighten any dark spot in the garden.

And my first exposure to caladiums grown in the sun was not very encouraging. What should have been bright, patterned foliage was only faded and bleached-out leaves. I was going to stick to growing caladiums in the shade.

But now comes along an improvement in breeding with caladiums that stand up to the hot Mississippi sun.

Being able to stand up to the full sun only makes sense because most of our caladiums are produced in Florida.

This new ability opens up a lot of garden and landscape options for colorful foliage.

And let's face it: We grow caladiums for their color. There are thousands of named selections, and I'm sure someone knows them all. I know a few, but I like to grow caladiums based on color and resulting combinations, whatever the names happen to be. Here's a couple of named selections I'm including because they are popular choices at the garden center.

The Painted Frog Series is gorgeous. Poison Dart Tree Frog have dark-green leaves splotched with red and are reflective in bright light, making them look shiny.

Red Bellied Tree Frog has lava-red, heart-shaped leaves framed with dark-green rims. Tie-Dyed Tree Frog has dark-green leaves accented by a red mid-vein and mottled with lime-green and yellow variegation. Small, pink and white spots pepper each leaf, making them look like splattered paint.

Carolyn Wharton features brilliant crimson main veins; the inner region of the leaf is pink with irregular green mottling. Red Flash caladiums are impressive with their brilliant red centers, scarlet red veins and pink speckles nestled inside the green border of the foliage.

An exciting selection is Stardust. This caladium has a bright white burst in the center and white veins. A suspended swirling galaxy of pure white spots certainly lights up the dark-green leaves.

This unusual beauty adds interest in mass plantings.

Caladium foliage is also very distinctive. The midribs on the leaves provide streaks and flashes of color many times providing high contrast with the rest of the foliage.

Foliage colors include reds, pinks, whites and greens -- all in various shades and combinations. Most foliage is heart-shaped with long petioles and is considered fancy leaved. Caladiums can reach heights of up to 30 inches.

Caladiums are sensitive to cold weather and should be considered annuals except in the coastal areas of Mississippi with milder winters.

But gardeners in Mississippi can save the tubers and replant them next year. This is an easy task for caladiums grown in containers. Be sure to dig the tubers in the fall when the soil temperatures go below 60 degrees. Lightly brush the soil off and remove any foliage. Pack them in dry peat moss and store dry at about 60 degrees.

Be sure to label and sort by cultivar.

Photo by MSU Extension Service/Gary Bachman

Improvement in breeding has led to varieties of caladiums, like this Red Bellied Tree Frog plant, that are tolerant to heat and sunshine.

Tigers aim to win with Collins calling shots

BY JOSEPH W. GEX, II
STAFF WRITER

The Bay High Tigers are sporting a completely different look on both sides of the football with the hire of veteran gridiron mentor Eric Collins who made the transition west from d'Iberville High School where he had led the Warriors for three seasons.

Collins takes over a squad that went 1-9 in 2018 and last made the playoffs in Class 4A in 2012 when they advanced to the state quarterfinals. The Tigers have win just four games since 2016.

Collins brings in a philosophy that controls space and allows playmakers to attack green space. In other words, it is his version of the Wing-T attack. And, when I say it is his version, it is his own wrinkles that he has perfected over years of mastering the system that is now working wonders at schools like Poplarville, East Central and Stone for coaches Jay Beech, Seth Smith and Jon Feaster, who all were mentored by Collins.

Collins commented, "This summer we established a solid summer workout program and held the players accountable. They did a great job accepting the task. We had a mantra of 'Be Here, Be Accountable, Work Hard.' We also began a job of changing the culture which takes time. It takes time because not just the program has to change. The school community changes, the community surrounding you changes and all that takes time. We are blessed here with a willing and supportive administration who want to change our district. We are excited to be part of that."

Collins and his staff have some solid players to count on as they begin to usher in change.

Jordan Calomese is a Calomese three-year starter who is a big body (6-foot-3, 230 pounds) at tight end. He will also line up on the defensive line.

Seth Russo, a junior, returns on the offensive line and is one who has taken Collins charge to heart. Collins stated, "Jordan Calomese and Seth Russo have both taken the challenges to heart. They are leaders, athletic and both look to have big years."

Sam Sheppard and Zach West will both run the football on offense and line up at linebacker on defense while Chase Necaise is a athlete dedicated to the program according to Collins and will be a target on both sides of the ball.

The Tigers also return their quarterback in Josh Peter's who Collins describes as the perfect mold for the system. He added, "He is an accurate passer, solid runner and outstanding leader."

Collins continued, "We are not in this to lose. We are expecting to win and win early. Our goal is to win in practice each and every day and let that carry over to win on Friday nights."

The Tigers feature one holdover from the previous staff in running back/quarterback coach Jeremy Turcotte who also happens to be a 1996 Tiger alum.

Turcotte, who is entering his 19th year of coaching, stated, "I am thrilled to be back at Bay High. Eric Collins is the best teaching football coach I have ever been around. And, not just football but life Skills, as well. He is very tough and demanding and he brings the best out in you."

Turcotte joins three other Bay High alums on the staff in Pat Fontenot (2010), Zack Ferry (2004) and Jordan Sutherlin (2011). And, what makes it more interesting is the fact that Turcotte coached all three of them during his previous stint at Bay High. Ferry is a former Offensive Player of the Year for The Sea Coast Echo in 2003.

This season Fontenot will coach wide receivers, Sutherlin has defensive line, Ferry coaches defensive backs. They are joined by defensive coordinator/linebacker coach Huey Johnson and offensive line coach Logan Lisenbea.

The Tigers open the season beat the Collins era at West Harrison High School on Friday evening.

In 2018, the two teams opened the season with the Hurricanes pulling off a narrow 22-21 victory.

Collins. Culture. Change. The Tigers are looking to take Command.

TIGER TRIMMINGS:

Strength: Athletic ability - the Tigers feature several two-way athletes returning to lead a culture change at Bay High.
Concerns: Mental toughness - new system and confidence in changing the dynamic.

2019 high school season starts on Friday

BY JOSEPH W. GEX, II
STAFF WRITER

In a little over 48 hours, the masses will congregate at their local cutout places of worship known simply as 'stadiums' to begin their fervent ecclesiastical traditions that signify 'Football Season'.

Yes, you read that right. For all you sports junkies out there, that three-month plus wait since the last snap of spring football is about to dissipate into a frenzied atmosphere of chaos between two goalposts and a 50-yard by 100-yard field of green. In that field of green, the chaos will transform into a ballet of precise execution and Game of Thrones strategy until only one team is left standing after 120 minutes or more of battle.

In layman's terms, mom and dad lock the youngsters in the house and buckle the chinstraps because at the nearest gridiron all hell is about to break loose.

In the last 27 years that I have had the privilege to prowl a sideline, the area has produced some of the most memorable games and indelible young stars that we have had the pleasure of witnessing. In short, the last almost three decades have been a treat.

As I begin my 28th season of coverage, this Friday will mark the 322nd consecutive evening that I have walked off yardage and witnessed legends in the making.

Over the years, Bay High and Pass Christian have displayed superior speed on the gridiron while Hancock has mastered a 'ground-and-pound' style and the Rock-a-chaws of St. Stanislaus have grown adept to an 'Air Raid' offense.

During that time, I have seen Bay High take their style to the Class 4A state quarter-finals in 2012 with speed around the end. Pass Christian has accomplished the same with similar ingredients in 2001.

Hancock bullied their way to the Class 6A state quarter-finals in 2017 while SSC claimed the area's only state championship in the sport in 2009 behind their trio of All-Americans.

Throughout my 27 years of coverage, there have been many extraordinary performances by the many legends we so lovingly remember.

Tank Williams of Bay High thrilled onlookers with his prowess not only on the football field but also the hardwood and the track in the late 1990s. He took his talents to Stanford University where he became the school's first-ever first team All-American defensive back and later played six years in the NFL with the Tennessee Titans, New England Patriots and Minnesota Vikings.

Chase Fagan was a mesmerizing dual-threat quarterback for Hancock in 2014 when Hancock sprinted into the playoffs.

At Pass Christian, Kalvin Woods and Maurice Hardnett were backs who could run through you or around you just after the Y2K turn.

However, St. Stanislaus has been perhaps the most successful program during this era with All-Americans Dylan Favre, Krisjon Wilkerson, Boomer Scarborough, Jacob Lindgren, Myles Brennan, Chase Rogers and Darius Pittman thrilling crowds with their prowess. But, they could not have done any of that without the stellar play of linemen such as Stephen Peterman and JC Brignone who both made it to the NFL. Peterman enjoyed a 10-year career with the Dallas Cowboys, Detroit Lions and New York Jets following his All-American career at LSU and national championship in 2003. Brignone starred at Mississippi State before later playing with the Chicago Bears for a time.

So, who from the area will shine this year? The only advice I can give you is to show up at the stadium and see for yourselves.

What I can tell you is Bay High looks to be better under first-year head coach Eric Collins and his Wing-T system. Will it be Sam Sheppard or Josh Peters wowing crowds or will it be Seth Russo or Jordan Calomese instilling fear into the opponent? Cop a squat and a burger and settle in for something new to Bay High and you just might see the Tiger terror.

Up at Hancock, they've been working hard improving facilities and the strength of their team for the daunting 6A schedule. Does Sebastian Fausett continue where Blake Comeaux left off toting the ball or will Sema'j Robertson pull all the triggers for the Hawks? Does Quinton Fowler and Christian Sapp open holes big enough for Mack trucks to drive through and legitimize their Division I potential? Come out and see the new developments in Kiln and enjoy a Friday night at a park named for a true legend.

Do the Pirates have what it takes to establish a base for new coach Blake Pennock's schemes? Will Dustin Allison run the ball with the toughness he had to get up after a liner to the nose on the diamond this past spring? How does Andrew Moffett and Huu Nguyen take their extreme athleticism to the next level? It is a new day at Pass Christian with a new look so come on out to McDonald Stadium and enjoy the evening.

Over at SSC, there is another Favre lining up at quarterback. Max Favre starts his senior season taking snaps for the Rocks and he has the luxury of throwing to not one but two 6'3" receivers in Lee Negrotto and Dallas Payne. Then, there is RB Brandon Bordelon who has successfully transferred his state champion sprinter speed to the gridiron.

The Rocks have made the playoffs every year since 2002 except 2005 (Hurricane Katrina) and 2012 when they were 0-9. Do they make an extended run this year behind an experienced senior class? Come on out 'between the walls' and answer that question for yourself.

'Hail to the King, Football has arrived!'

Hawks aim to bounce back from '18 season

Hopes are high in Kiln this year, as the Hancock High Hawks look for a bounce back season on the gridiron.

Last year, the Hawks finished with a 4-7 record. They did, however, win their final two games, which created some positive momentum going into this year.

"We are really excited about this year's team," Head Coach Neil Lollar said. "If we stay healthy, then I believe we will have a chance in every game. We have a lot of experience - and some exciting young guys, too."

Leading the way for the Hawks this year will be a senior-laden offensive line that features two players who are garnering several college scholarship offers.

Tackle Christian Sapp committed to the University of South Alabama last month, and guard Quintin Fowler has received offers from Alcorn State and multiple junior colleges.

Rounding out the offensive line will be Cody Easterling, Cody Breland and Drew Schafer.

"Our line should be our biggest strgenth," Lollar said. "We have plenty of experience and leadership."

The line, nicknamed "The Trench Dogs," will open holes for several experienced runners.

Three of the Hawks' top four rushers from last year will be returning seniors Sebastian Fausett and Jordan Fouchee, and junior Chris Benard.

Lollar said dua-threat quarterback Sema'J Robertson will add another element to the offense.

Robertson, a junior, transferred from Bay High.

"He will allow us to do some things that we have not been able to do the past few years," Lollar said. "We are going to be very balanced on offense and a lot of guys are going to get opportunities to touch the ball."

Benard and Jordan will catch plenty of passes from Robertson, along with Kyle Shippy and Jordan Zulli.

Senior Colby McGough leads the linebacker corps, along with junior Cameron Ganier and Nick Lollar.

Rocks out to live up to expectations

BY JOSEPH W. GEX, II
STAFF WRITER

The Saint Stanislaus Rock-a-chaws have been focused on the 2019 season opener since they unbuckled their chinstraps following their loss to Northeast Lauderdale last November.

The Rocks narrowly missed out on a No. 1 seed in 2018 during the first year of Nate Encrapera's tenure as head coach.

Encrapera commented, "I like where we are physically. We are a heavier team, weight-wise, than last year. During our off-season and summer program, we have able to put on some quality mass and get stronger. Our strength this year is our experience. We still have young guys in spots but it is hard to find a position where a player has not played significant time at that position."

Encrapera returns a solid nucleus of starters from a year ago. On offense, SSC has six starters returning and seven on defense. And, the ones that are stepping up to fill the voids have some game experience from last year.

Max Favre returns at quarterback after having won the job in Week 5 of 2018. Favre was a 1,000-yard passer last year despite being given the starting job midway through the season.

Also returning on the offensive side of the ball are huge targets for Favre to throw to in TE Lee Negrotto and WR Lee Negrotto.

Payne and Negrotto both tip the scales at 6-foot-3 while Negrotto weighs in at 230 pounds and Payne checks in at 190 pounds.

Returning at fullback is Chris Smith who weighs in at 260lbs and stands 6-3 as well.

And, coming back at running back is Brandon Bordelon who is a state champion track and field athlete that checks in at 6-foot and weighs 190 pounds.

Encrapera stated, "Max has a feel for the game. He has that moxie at the position. He has a nice feel in the pocket for when and where he needs to put the ball and does a solid job at finding lanes. His deep ball has become accurate. Lee and Dallas are two big targets for Max. Lee is verbally committed to Jones County Junior College. Dallas has grown a lot. He competes for the ball and is a physical receiver. With both Chris and Brandon returning in the backfield, we have proven experience with running the football and protection packages for Max."

On the offensive line, Joe Bradford and Seth Cook return to their positions and will be joined by a rotation of players who have made great transitions according to the staff. In the transition from the defensive line are two-way linemen Hogan Benvenutti and Ryan Tyler. Andrew Dufrene has also been receiving reps along with

several others who are giving quality snaps.

Bradley Darby steps into the fold at the other wide receiver spot and has the potential for a solid season after he had a tremendous summer establishing a chemistry with Favre.

On the defensive side of the ball, Encrapera returns another six starters and will mix in a rotation of players. Negrotto and Benvenutti return to their spots on defense along with linebackers Thomas Williams, Blake Bilich and John Gregory. Jaxson Favre and Eastman Montjoy have put themselves in the mix. Devin Gaspard and Connor Moran will also mix things up on the line.

In the defensive backfield, Trustin Northington returns at free safety and will roam the open area. He is joined by Davien Lagarde who steps into a starting position at one of the cornerback positions. On the other side, Nour Tayara, Gene Hoffman and Grant sides are all getting reps on the field.

Encrapera added, "In my 10 years here at SSC, Lee Negrotto is one of the best defensive players we have had. The linebacker group will be our strongest group to start the season as we have several guys that can step in and fill spots throughout the game. We are a faster group on defense than we were a year ago. We have more options this year."

Encrapera talked about his concerns, "Our biggest concern heading into the season is our consistency. There were times last year like against Moss Point and Vancleave where we played well in a half and then dropped off the other half. We have to minimize valleys and pre-snap penalties. We need to be more consistent. We just need to win the next play. Good things happen when you have a more defined focus."

Encrapera rounded out his coaching staff with to new hires in the spring. John Haberman returns as offensive coordinator and Woody Cagnolatti comes back as defensive coordinator. Mark Logan (SSC '86) will coach the defensive backs and Rahman McGill joins the staff as the safeties coach. Mike Shimshock returns as wide receivers coach and Jeff Jordan will coach the offensive line. Jack Robinson joins the staff as the defensive line coach and Josh Jordan will coach the special teams. Stu Rayburn has been a volunteer offensive assistant coach.

For the first time since 2013, the Rocks will open the season at home. The last time SSC opened the season at home the Rocks defeated the Hancock Hawks 35-13 and went on to a 12-1 season and a trip to the Class 4A state quarter-finals where they fell to Forrest County AHS 49-42. The Aggies went on to win the 4A state title that season.

SSC takes the field at Brother Phillip Memorial Athletic Complex on Friday evening 'between the walls' against Saint Joseph of Madison. It will be the first time the two teams have met on the field.

Pass Christian High School 2019

PIRATES

Pirates aim to succeed under new captain

BY JOSEPH W. GEX, II
STAFF WRITER

The Pass Christian Pirates will sport a different look on the sideline this season for the first time since 2009.

Former head coach Casey Wittmann, a 1984 SSC alum, is now coaching the offensive line at Harrison Central High School and former Clinton Arrows offensive coordinator Blake Pennock takes the reins as head coach of the program.

Pennock, who has been on the job at the school since January, is excited about what the future holds for Pirate football and is chomping at the bit to get the 2019 season underway.

Pennock commented, "When I first got down here we realized we had a long way to go strength-wise. So, from January to April we concentrated on getting stronger with our core lifts.

"That gave us a solid head start going into spring training on the field. Huu Nguyen and Gordon Ward have been instrumental leaders in that respect. They have been a huge help to the staff and helped us push the team. Once we got into spring training, we were able to focus on football."

Pennock and his staff have several returning players at key positions. One of those key returnees is quarterback Dustin Allison who is in his fourth year as a starter.

Pennock stated, "Dustin Allison brings a certain moxie to the position. He understands the game and is a willing runner in our system. He is an effective passer that is consistent with his throws. It begins with Dustin on each play."

Andrew Moffett is a returning starter on both sides of the ball. On offense, he will line up as a receiver and is projected to be a top target for Allison.

Huu Nguyen and Gordon Ward will both run the football for the Pirates as in years past. Pennock added, "Both Huu Nguyen and Gordon Ward will run the football for us this year. They will factor in more on the defensive side of the ball but they are both downhill runners that are powerful.

Nguyen has completely changed his body and is now packing another 20 pounds to his playing weight from a year ago."

Leading the offensive line will be Kenny Nguyen at center.

On the defensive side of the ball, the unit begins with a four-year starter at linebacker in Reese Gorman.

Pennock continued, "Reese Gorman is our signal caller on defense. He is stepping up and leading our defense. We do not look forward to replacing him. He has been integral since we arrived. Joining him on defense will be Ward and Bryson Adams on the line. Ward has been around and is load to handle on the first step. Adams is untested as a sophomore but has a future that is through the roof. Huu Nguyen will join Gorman as a leader on the second level. Moffett will take snaps in the defensive backfield along with two younger players in Cam White and Zay Chamberlain who we are excited to see get tested back there."

Pennock knows the community is hungry for a winner. Pass Christian last made the playoffs two years ago in 2017 but are still searching for a playoff win.

He added, "The community has bought into us and are excited right now. Our team is committed to delivering a winner to our community. We believe we are a playoff team and we want to go out and prove that."

Pennock starts his career at Pass Christian with a staff that includes defensive coordinator/linebacker coach

Sea Coast Echo to present football awards for 20th year

BY JOSEPH W. GEX, II
STAFF WRITER

The Sea Coast Echo will present the All-Sea Coast Echo football team and Offensive and Defensive Players of the Year in December following the 2019 season.

As in years past, The Sea Coast Echo newspaper will send a nomination packet to the head coaches of the four area football teams during the week of October 7th. The head coaches are asked to return the nomination packet in the provided postage-paid envelope by the deadline announced in the cover letter.

The newspaper asks the respective coaches to provide their nominations to the sports staff who will then disseminate the nominees into a first team and honorable mention category. From the first team selections, an Offensive and Defensive Player of the Year will be selected.

All nominees will be recognized with a certificate acknowledging their selection while the two players of the year will receive a special award signifying their status as a Player of the Year.

The newspaper will also assemble the first team selections for a photograph that will appear with the release of the team following the state championship games in early December 2019.

This year will mark the 20th consecutive season that the newspaper has presented the awards. The paper would also like to gather all past Offensive and Defensive Players of the Year that are local or able to return for a photograph when the 2019 team is announced. If you are a former selection for the players of the year award, please contact Joe Gex at jgex2@aol.com and share your contact information so that you can be contacted for the photograph when the time gets closer.

In addition to the All-Sea Coast Echo awards, the Player of the Week this year will be selected by Farm Bureau of Hancock County. The recipient will be recognized by the business with a special award and the paper will run a photograph each Wednesday signifying the selection beginning with the Wednesday, Aug. 28 edition and continuing through the end of the season. This year there will be one Player of the Week and not respective of either of side of the ball.
